That after the recruitment training period my position with the West Harbour Community Patrol will be as an active Patroller unless I am advised in writing that my membership of the group has not been accepted.

That I will conduct myself in a professional manner and abide by the 'CPNZ Governing rules and policy documents' and the operating practices of the Community Patrol.

That I accept that breaches of confidentiality, unacceptable behaviour, or failure to adhere to the 'CPNZ Governing rules and policy documents' can lead to the termination of my membership.

I am also aware and give my consent that my contact details will be available to other Patrollers for operational reasons and will be held in a national database of Patrollers with CPNZ.
